1911-2010	RT-Rec

A person's orienteering class is determined by their "Year of Birth" **not** by their "Current Age".

Example:

$$2010 - 1994 = 16$$

(even if the person is only 15 because they haven't had their birthday yet)

A Competitive Team's class is determined by the "Year of Birth" of the **OLDEST** team member
