

2019 All Saints meet notes

Welcome to beautiful All Saints camp at Lake Texoma. It's NTOA's premier orienteering location. This year's meet is one day only and will include our standard slate of 6 courses. White and Yellow levels will use pin punch cards and Orange, Brown, Green, and Red will be e-punching.

Parking will be along the road near the activity field as in past few years. All Saints camp requires each person who visits the camp to pay a \$5 fee. It's built into the meet fees for competitors, but everyone else needs to fill out a waiver and pay at registration.

Registration, start, and finish are all at the activity field. Wayne Chaffin is course setter and has designed some interesting new route choices. Lake is at normal level. Courses use the whole camp, but we are sharing with other groups, so respect any campsites or activity areas that are in use.

Advanced runners will notice an expanded out-of-bounds area to the south. New owners have restricted access and you should not cross the fences marked with purple paint or any areas shown as out-of-bounds.
