

## **Cooper Lake Meet Director's Notes 2018**

### **Welcome**

Welcome to Cooper Lake State Park, NTOA's newest and largest mapped area. The event features the classic format: 2-day combined time. The regular set of competition courses will be offered, with e-punch for Orange, Brown, Green and Red. Recreational courses are also offered.

In addition to meet fees, all participants must pay Cooper Lake State Park entry fee. There is a three-hour time limit on all courses. Even if you don't locate all of the controls, please report to the Finish within three hours. Please use courtesy around campsite areas and when walking along roads.

Day one registration and start are at the Heron Harbor day use area. Bus parking is at the adjacent Gulls Bluff parking. Start is 200-350m from parking.

Day 2 HQ and parking are at the Honey Creek day use area. Start is at the Buggy Whip campground, 700m walk from parking.
