

## **Welcome to the 2022 Texas Orienteering Championships!**

NTOA coordinated with the Houston Orienteering Club (HOC), Austin Orienteering Club (AOC), and Lone State Club (San Antonio) to hold the 2022 Texas Orienteering Championships.

The classes are a little different from the normal NTOA orienteering classes and somewhat try to follow the national classes. The winner of the classes (shown in blue in the file at <http://ntoa.com/wpcontent/uploads/2022/11/2022-Texas-Champs-classes-and-medals-rev-1..pdf>) will be the Texas Champion for that class and get a special medal.

We hope you enjoy the event!

Jim Stevens
