

## Gateway Score-O 2023

### Competitive Individual Results

Following are results from cards scored at today's event – if there's no score, it means we did not receive a card from you at Finish. If you went out on the Short course but came back significantly (more than 5 minutes) over time, we automatically moved you to the Long course so you could receive a score and not be disqualified. (This did not change top 3 results for any age class.) In case of a tie on points, the runner with the faster time wins.
