

Arbor Hills 2025 Meet Director's Notes

Welcome

Welcome to Arbor Hills Preserve for our annual Thanksgiving time DIY Orienteering event. There is a new major construction project in the park. See the Trail closures in the image below. Also, access to and from the pavilion area is restricted on the west side for habitat rehab.

Parking

The main parking area is in the southeast part of the park off Parker Road. The Start is at the southwest of the parking area and Finish is at the north side. Restroom facilities are near the southwest corner of the lot. Additional parking can be found off Arbor Vista Drive on the east side.

Park Hours

The park is open 5 am to 11 pm every day **except Wednesday**. The park is closed for maintenance on Wednesday until 2 pm. Officially the trails close at dusk.

Rules

Arbor Hills Preserve is part of the City of Plano parks system. Park rules may be found at: [Park Rules | Plano, TX - Official Website](#).

Dogs on leash are allowed in most of the park. **No dogs** are permitted on the mountain bike trails. Our Brown and Green courses go through the mountain bike trails so don't bring a dog unless you only plan to do the Yellow course.

Reminder!!!

Don't forget to bring your own map, clue sheet, and water. Since your home printer may not use waterproof ink and extremely durable paper, remember to use a plastic zip-lock bag to protect your map in damp conditions.

Have fun,

Lon Newsom, meet director
