# 2026 Texas Elks Camp (formerly All Saints Camp) meet notes

Welcome to beautiful Texas Elks Camp at Lake Texoma. It's NTOA's premier orienteering location. This year's meet will include our standard slate of 6 courses. All courses will use e-punching.

Parking will be along the road near the activity field as in past few years.

Registration and finish are both at the activity field. The start is 5 minute walk south of activity field. Lake is at low level. Courses use the whole camp, but we are sharing with other groups, so respect any campsites or activity areas that are in use. 2026's courses use the main camp area.

Advanced runners will notice an expanded out-of-bounds area to the south. New owners have restricted access and you should not cross the fences marked with purple paint or any areas shown as out-of-bounds.
